| Impact of the Covid-19 pandemic on <br> the business | Since the first quarter of CY 2020, the Covid-19 pandemic has <br> impacted most of the countries, including India. Owing to the <br> outbreak of COVID-19 and the related directives received from the <br> Central \& State governments, lockdown was announced with <br> adoption of quarantine measures. This has largely affected the <br> economic activity. The Indian economy has been impacted by this <br> pandemic with contraction in industrial and services industries. <br> Your company immediately took measures for the safety and well <br> being of the employees and adopted "work from home" policy for <br> all employee providing them proper infrastructure and other <br> requirements, so that there would be very little or minimal <br> disruption of services to the clients. The lockdown and lots of <br> restrictions and unexpected variables shall adversely result in to <br> the operations and future growth plans of the Company. The <br> collection efficiency has dropped and adoption of RBI issued COVID <br> 19 Regulatory Package and granting Moratorium period to <br> Customers has effected the operations \& financials of the <br> company. However, in the scope of COVID 19 continue to evolve <br> and in the present situation, it is difficult to estimate the full extent <br> of its impact on our business at this time. |
