Please find enclosed disclosure of the material impact of CoVid-19 pandemic.

Particulars	Disclosure
Impact of the Covid-19 pandemic on the business	Since the first quarter of CY 2020, the Covid-19 pandemic has impacted most of the countries, including India. Owing to the outbreak of COVID-19 and the related directives received from the Central & State governments, lockdown was announced with adoption of quarantine measures. This has largely affected the economic activity. The Indian economy has been impacted by this pandemic with contraction in industrial and services industries. Your company immediately took measures for the safety and well being of the employees and adopted "work from home" policy for all employee providing them proper infrastructure and other requirements, so that there would be very little or minimal disruption of services to the clients. The lockdown and lots of restrictions and unexpected variables shall adversely result in to the operations and future growth plans of the Company. The collection efficiency has dropped and adoption of RBI issued COVID 19 Regulatory Package and granting Moratorium period to Customers has effected the operations & financials of the company. However, in the scope of COVID 19 continue to evolve and in the present situation, it is difficult to estimate the full extent of its impact on our business at this time.
